Parents must come in to sign out their children.

St. John the Baptist School students do not need to complete the bottom unless someone other than the parent is picking up.

It is our belief and expectation that all students will enjoy the dance while demonstrating mature, Christian character and behaving in a respectful manner.

****If a student chooses to behave in an inappropriate manner, parents may be called to pick up the student.****

Students outside of SJBS NEED to bring this information when they come.
