April 22, 2010

Dear Parents/Guardians,

How would you like to be awarded the amount of **\$150.00** toward your tuition payment for the 2010 – 2011 school year? Let me tell you an easy way to do just that. For each and every new family that you bring in to the North American Martyrs School family, from April 23, 2010 and on, you will have an opportunity to financially gain from your enthusiasm and recruiting efforts.

The guidelines are as follows:

1. The newly registered family must remain in our school for the entire school year in order for you to be eligible for the award. In any case, where the newly registered family leaves before the school year ends for reasons such as a job transfer, deployment, or such, the recruiting family may approach the pastor and/or the principal for consideration of the award.
2. The tuition award will be granted only once to the recruiting family per school year for each new family recruited.
3. The current North American Martyrs recruiting family may **reach out** as often as they wish. Each new family brought in can earn the recruiting family a **\$150.00** award that will be applied to their tuition account at the end of the school year. So, if the North American Martyrs family brings in three new families, they would be awarded **\$450.00** towards their tuition account. No cash monies will be given outright to any party and none of this award money may be carried over in to the following school year.
4. On the registration form, there will be a spot for the new family to indicate which current North American Martyrs School family suggested their attendance at our school. That is the current school family who will be credited the **Each One – Reach One** incentive. This award is a one time only deal and is not renewable every year. Also, the award will only be given to the one family whose name was indicated on the new family's registration form.
5. If there are any additional determinations that need to be made in regards to this incentive, they will be made by the pastor and/or principal. These decisions will be considered final.

The belief is that our own school parents/guardians are our best source of recruitment. You know first hand what a fabulous school we have and how great we are. Spread the word! **Each One – Reach One!** Come on, enthusiasm is contagious. Let's start an epidemic!

In Christ's love,

Mrs. Diane M. Fleet
