## Fund Raising/Recruitment & Retention Overview

Your talents and perspective could help shape the success of this school year!

### **Fund Raising Committee**

The Fund Raising Committee helps to organize and plan the scheduled fundraising events for the year. Our events include both school events and larger community events such as the flea market, bingo, and fish fry. School fundraising events help each NAM family reach their required goal of \$400.00. Examples of those include the fall fundraiser which is going on now and Sarris Candy sales. Fundraising is a critical component of the school's operating budget and everyone's help is needed to meet this year's goal of \$125,000.00. If you think you have a knack for fundraising and could be a part of any step along the way bringing these fundraising events from idea to fruition, please feel free to attend our first meeting, or contact Jen Kessler, Fundraising Chairperson, at [barjenoah@verizon.net](mailto:barjenoah@verizon.net).

### **Recruitment and Retention Committee**

If you love the NAM family and want to be a welcoming force within the school, as well as in the community at large, the Recruitment and Retention Committee is right for you! This committee helps to organize retention events such as fall trips to the pumpkin patch or school wide bowling parties. The NAM Family Picnic, Family Bingo, and Noodles and Doodles are examples of creative and fun events born out of the R&R Committee. This group of dedicated parents helps the Advancement Director with marketing ideas and events to recruit new families to NAM and bring new ideas to the school. While staying true to our Catholic School roots, this committee helps jumpstart our school into the future, always thinking of new and innovative ways to cement and grow our community base. If you think your talents lie within the realm of Recruitment and Retention Committee, please feel free to attend our first meeting, or contact Danielle Cole, Advancement Director, at [cole@namschool.org](mailto:cole@namschool.org).
