

Apples for the Students

A stylized green outline of an apple with a short stem and a single leaf, positioned to the right of the word "Apples" and partially overlapping the word "Students".

Shop. Scan. Support our School!

Apples for the Students is a points program based upon the use of your Giant Eagle Advantage Card when shopping at Giant Eagle or Getgo. Every scan or swipe of a registered Giant Eagle Advantage Card at checkout supports Apples for the Students. Our school will earn a percentage of points available based on the amount of every purchase.

This program is a great way for our school to earn educational rewards such as computers, software, video equipment, gym/playground gear, and more! It is completely free to sign up!

Follow these easy steps:

1. Visit www.gianteagle.com/AFTS
2. Enter your Giant Eagle Advantage Card Number (which appears under the barcode)
3. Enter our school code: **0759**
4. Done! Please encourage your extended family friends to register to support our school too!

Do you think your Giant Eagle Advantage Card has been previously registered to help support our school? Now is the time to check! We are asking all families to confirm their existing enrollment in the Apple for the Students program by following the simple steps above to verify that you are participating the program for the 2015-2016 school year. Thank you for your continued support.

Questions? Please contact Elizabeth Sommer, Chairperson at (412) 829-1539 for additional information. Thank you.
