Important information and permission slip

We are so excited to get the robotics club up and running. We are looking forward to another year of excitement and creativity!

Here's some important information...

- Mrs.Morton (6-8 Math and Science) will be running the meetings
- Weekly attendance is the expectation. Frequent absences will reduce build time and, in turn, may result in a lower quality robot. We do understand that issues arise and students may not be able to attend EVERY week. Please communicate any issues to Mrs.Morton so we can plan accordingly
- Students are expected to follow all school rules and show appropriate behavior at all times
- Any students/teams that are not following school rules will be given "Time out" from building. During this time they must take a break from building, programming, or practicing to reconsider their behavior. Once their time is up, they will be given an opportunity to correct their behavior and begin working again.
- Pick-up will be promptly at 4:30 p.m. at the middle school doors.
- I am excited to announce that there is a VEX IQ competition scheduled to take place in Pittsburgh in December. I would love to take a team to compete, as long as we are able to put the time and effort in to build bots that are ready for competition!
- There will be a \$15.00 fee to join robotics club this year. This will help us update our equipment to prepare for competition!
- Attached is a list of Robotics Club meeting dates and times. **Note that there is NO meeting scheduled for Monday, October 31st.** School is not in session this day.
- Questions? Email Mrs.Morton at morton@namschoo.org

Child's Name: _____ Grade: _____

The NAM Robotics Club will be meeting on the following dates from 3:30 – 4:30 in the school library. Please circle any dates your child will **NOT** be able to attend. Please also complete and sign the bottom of the page. Thank you!

Monday, November 7
Monday, November 14
Monday, November 21
*Tuesday, November 29

Monday, January 9
Monday, January 23
Monday, January 30

Monday, December 5
Monday, December 12
Monday, December 19

Monday, February 6
Monday, February 13
Monday, February 27

Please note that we will meet on Tuesday, November 29 since there is no school on Monday, November 28. There will be NO Robotics Club meetings on December 26, January 2, January 16, and February 27 due to holidays. Also, if school is cancelled for any reason, on any of these dates, we will NOT have a meeting.

I _____ (parent/guardian) give permission for my child to stay after school for Robotics Club on the above dates. If a change occurs, I must send in a note to the school informing them of the change.

Parent/Guardian Signature: _____

Cell phone number: _____

Email address: _____

Please enclose a \$15.00 check made payable to North American Martyrs School. These funds will be used to update our equipment and enable us to prepare for possible competitions.
