

April 16, 2009

Dear Parents/Guardians:

Have you heard the great news? We already have 20 kindergarten students registered for next year! This is three times more registered at this time than we had last year! Also, we are open to even having two kindergarten classes! Let all of your friends and neighbors know that we are still accepting applications.

As part of our recruiting efforts, the Recruitment Committee has purchased 100 yard signs for placement around Monroeville and surrounding communities. We would love to have your participation in the distribution and placement of these signs. If you live in a high-traffic area, please consider placing one of these signs on your property; also, if you have a business in the Monroeville area or surrounding areas, or know anyone who would be willing to help, please consider this as well.

Please complete the form below and submit it to the school office in an envelope marked "Yard Signs", by Tuesday, April 21. If you have any questions or comments, please contact Annette Waldron at (412)215-4184 or awaldron13@aol.com. Once you have submitted the form, you will be contacted about receiving the sign. Thanks for your participation!
